

## Netball rules

### Games

Games consist of two eighteen minutes halves with a one minute half-time and a three minute warm-up period.

Games are centrally timed and will start as per the fixtured time:

- Game times are 6pm, 6.40pm, 7.20pm, 8:00pm, 8.40pm, 9.20pm.

### Equipment

- Teams need to provide their own bibs for hygiene reasons.
- Shirts must be worn under bibs.

### Rule modifications

All rules are as per the official 'Netball Australia' rule book with Lords amendments as detailed in this document.

- The umpire is in sole control of a team's game. Their decision is final. Only the team captain can approach the umpire at half time and speak on behalf of the team.
- One fifty second timeout per team per half is allowed. During a timeout the clock will continue to run.
- No timeouts may be called in the last three minutes of either half. All timeouts must conclude by the three minute mark of either half.
- The umpires and duty managers will be encouraged to report any negative behaviour towards staff or other players. Depending on the severity of the situation, further action may be taken, during or post game
- If a player receives three in-game suspensions over the season, they will then be suspended for one week following the third on court suspension. Team captains will be notified if any of their players are sitting on two on-court suspensions as a courtesy
- If players are sent off for the remainder of the game, they will be immediately suspended for one week. Team captains will be notified of a player suspension via email.
- As per the Netball Australia rules, the following definitions/management strategies apply (13.1):
  - **Caution:** a player is advised that the behaviour specified must change. Only one caution per player for each element of foul play, if a player requires a caution for a second element, the umpire may issue that player with a warning.
  - **Warning:** a player is warned that suspension will follow if the player continues to infringe the foul play rule. Only one warning will be given to a player, before a suspension is applied.
  - **Suspension:** a player who is suspended takes no part in play for 2 minutes playing time. If a player is suspended, they cannot be replaced by

another player, and that position remains vacant. If the player suspended is a centre, then another player on court must move to fill the centre position.

- **Send Off:** a player who is ordered off takes no further part in the match. The player cannot be replaced by another player, and that position remains vacant. If the player suspended is a centre, then another player on court must move to fill the centre position for the remainder of the match.
- Depending on the severity of the situation, the umpires have the authority to caution a player on the court, and if this player then continues to act dangerously or disrespectfully, the umpire can immediately suspend the player for 2 minutes

Any rule changes that are made by Netball Australia during the season will be adopted at the commencement of a new season. This is to provide stability and continuity throughout each season.
